Tucked at the end of a quiet cul-de-sac and overlooking the greenspace, 118 Mayflower Bay invites you to settle in and enjoy a truly move in ready home designed for relaxed, everyday living. This spacious 4 bedroom, 3.5 bath home is designed for comfort and functionality, featuring an open-concept main floor with rich hardwood flooring, a cozy gas fireplace, and a stylish kitchen complete with espresso cabinetry, new counter tops, stainless steel appliances, and a large island perfect for gathering. The dining area leads directly to the back deck, making indoor-outdoor entertaining a breeze. Upstairs offers a bright bonus room, three generously sized bedrooms, and a serene primary suite with double sinks, a soaker tub, separate shower, walk-in closet and tranquil views overlooking the greenspace. The fully finished walkout basement includes a legal one-bedroom suite with a private entrance, full kitchen, bathroom, and in-suite laundry, ideal for extended family or rental income. Step outside and enjoy summers in your heated natural gas pool, with a backyard wired and ready for a hot tub. This home comes with major exterior upgrades already done for you, including brand new siding, roof, exterior insulation, a new garage door, and all new windows on the right side of the house. The heated double attached garage adds convenience year round. Bonus features include central A/C, included patio furniture, and prepaid lawn care through to September 2025. Located close to parks, trails, and schools, this is a rare opportunity to own a truly turnkey home in a family friendly neighborhood.
