Welcome to the beautiful Canmore Renaissance. This stunning 3 bed, 3 bath ground level unit is conveniently located in the Abruzzo building. Offering exceptional mountain views along with unmatched accessibility & high-end finishes. This 2083 SQFT unit offers the very best of mountainside living. Featuring a stunning open concept kitchen & family room - highlighted by TONS of natural sunlight and a cozy gas fire place - this space is absolutely breath taking. The large island and super functional kitchen offer granite counter tops, high-end Wolf built-in appliances, surrounded by captivating cabinetry (with tons of storage) making this space perfect for entertaining friends & families of all sizes! The massive master bedroom is the perfect place to unwind at the end of a long day on the trails or slopes, including a generously sized walk-in closet & spa inspired (5) piece master ensuite with a large walk-in shower, and stand alone soaker tub - an absolute oasis! Down the hall you will find a (2) piece bathroom & large laundry room, along with two additional guest bedrooms & a (4) piece bathroom. You will love the easy access to the fitness centre & rec room (just outside your door) + elevator access taking you directly to the heated underground parkade (this unit offers an assigned double tandem parking spot). Other mentionable features include: High end engineered hardwood floors (with in-floor heat throughout), LARGE ground level patio (with gas rough in for BBQ), convenient street parking just outside your door. Recently renovated & exceptionally well maintained unit - pride in ownership shown throughout. YOU DON'T WANT TO MISS THIS ONE! - Book your showing today!
