Welcome to this UNIQUE and RARE beautiful corner-lot home, loaded with upgrades and custom features designed for comfort and functionality. This property includes a large legal 2-bedroom basement suite with separate entry, perfect for rental income or extended family. The open concept main floor is bright and welcoming, featuring a massive kitchen island, quartz countertops, full-height cabinetry, a high-end built-in stove, and a full spice kitchen with pantry—ideal for cooking and entertaining with loved ones. At the front of the home, a spacious flex room enclosed with a stunning glass wall can be used as a home office or extra bedroom. Upstairs offers four generously sized bedrooms that easily fit king or queen beds, all with built-in closet organizers and ceiling fans. The two full bathrooms include double sinks with quartz counters, and the master ensuite features a luxurious jetted tub and separate shower. One of the standout features is the massive, custom-built sunroom extension—fully insulated with large windows to enjoy sunlight year-round. Step into the huge backyard, perfect for kids to run and play, with a big deck for relaxing or entertaining, a \$6,000 custom gate for alley access, and gravel parking for RVs or extra vehicles. The exterior is finished with stucco and metal siding, a heated garage with plumbing, a matching stucco-finished shed, new roof, carpets, paint, garage system, lighting, and a newer A/C unit. Complete with a security system, this home is located near schools, parks, and shopping, this home is truly one-of-a-kind.
