Looking for a smart, low-maintenance investment in one of Calgary's most walkable and popular areas? This 1 bed / 1 bath condo in The Annex is it. Located in the heart of Kensington, this modern unit offers unbeatable potential. Here's why investors love it: The building is Airbnb-friendly and there's a private entrance with direct street access - no need to go through the main lobby, which guests love. It's fully furnished and turnkey - start earning right away. Inside, you'll find a bright, open layout with lvp flooring throughout (no carpet!), plus big windows and high ceilings with exposed concrete for a stylish, modern feel. The kitchen features a large island with seating, two-toned cabinets, quartz countertops, and a gas stove. The bathroom was upgraded with a fully tiled bathtub/shower combo. And there's also in-suite laundry. Extras your guests (and you) will appreciate include central A/C for hot summer days, a tiled storage locker for your supplies...and a strong rental appeal with walkable access to downtown, transit, shops, and top-rated dining. Location, location, location. Kensington is one of Calgary's most sought-after neighbourhoods - and for good reason. This lively, inner-city area is packed with 250+ local shops, cafés, and restaurants plus daily essentials like groceries, fitness studios, and pharmacies. This condo is just steps from the Sunnyside C-Train Station for easy access to downtown, Stampede Park, or the University of Calgary. The Annex also offers next-level amenities: a rooftop patio with skyline views, BBQs, dog run, and community garden. There's also bike storage and underground visitor parking. Built by Minto, it's LEED v4 Gold certified - Alberta's first, and an eco-friendly badge of quality. This unit is perfect for investors looking to break into the Calgary Airbnb market.

or expand their short-term rental portfolio. With Kensington's strong demand, low vacancy, and year-round visitor traffic, you won't find a better setup at this price point.
