Now available: a vacant infill lot in the established and centrally located Hillside neighborhood of Grande Prairie. This 7,077 sq ft (36.6m x 15.4m) lot is zoned RG (Residential General), making it the perfect site for a duplex or legal up/down suite development. Located in a mature area with many older homes being replaced, this lot is a great opportunity to get ahead of the curve as redevelopment gains momentum. With back alley access, there's flexibility for rear parking or garage construction to maximize the build potential.
