The kitchen is built for both function and flair: stainless steel appliances, granite countertops, a gas stove, walk-through pantry, and an oversized island perfect for casual meals or entertaining. Bonus touches like a garburator, stylish lighting, and over-the-range microwave make life easy. The living room offers a cozy retreat with a fireplace and sun-filled windows, while upstairs, the bright bonus room is ideal for movie nights, a play space, or your home office. Laundry is conveniently located on the upper level (washer & dryer included!). The primary retreat is your personal escape, featuring large windows, a walk-in closet, dual vanities, separate shower, and a deep corner soaker tub—your own daily spa experience. Outside, the pie-shaped lot offers more room to roam. A two-level deck and gas BBQ hookup make the backyard perfect for summer hangouts and weekend BBQs. Downstairs, the finished basement offers sleek laminate flooring, a full 3-piece bathroom, and plenty of storage—great for guests, hobbies, or extra living space. Extras?
