A striking contrast of black interior doors and light-toned luxury vinyl plank flooring sets the tone, with pot lights adding warmth and brightness throughout. The kitchen is a true showstopper, complete with a waterfall-edge peninsula, a smart LED-lit faucet that changes color with water temperature,

an eye-catching mosaic backsplash, and a full set of brand-new LG appliances including a slide-in range, fridge, microwave, and dishwasher. A premium chimney-style hood fan adds both elegance and function. The dining area includes additional built-in storage and a brand-new bar fridge — perfect for entertaining. The custom walkthrough closet offers well-designed organization with built-in drawers and shelves, while the spacious primary bedroom can easily accommodate a king-size bed and is flooded with natural light and peaceful river views. The ensuite bathroom feels like a private spa, featuring vaulted ceilings, an LED mirror, double vessel sinks, and a waterfall showerhead. Additional perks include secure underground parking and immediate possession available.
