This is a rare opportunity to own a fully developed BUNGALOW in the sought after community of Sunset Ridge. Not only that, it's a corner lot, walking distance to the K-8 school, playgrounds and beautiful walking paths connecting all the way to downtown and the Bow River! Introducing the ETHAN model. Voted as Cochrane's Builder of the Year 2 years in a row, you can be sure to expect nothing but quality from Aspen Creek Designer Homes. A beautiful open concept layout including an office/den, laundry and primary suite all on the main floor. The central kitchen is incredible with stainless steel appliances, a beautiful quartz counter & island and custom cabinetry. The adjacent living room is anchored by a gas fireplace and access to your back deck here. 2 additional bedrooms, a generous games room and rough-in for a wet bar complete the lower level. West Facing backyard is the cherry on top!
