Meet "Carson" - Your bright and beautifully updated two-bedroom condo, located just steps from SAIT in the heart of Capitol Hill. This is one of the building's best-positioned units, offering a street-facing view that brings in abundant natural light and avoids the parking-lot exposure. Inside, the home features hardwood floors throughout and a sleek, modern kitchen complete with stainless steel countertops that stand out for durability and style. The open-concept living area is warm and inviting, with large windows that make the entire space feel airy and comfortable. Both bedrooms are well-sized and versatile, whether you need sleeping space, a home office, or a study area. The bathroom features a double shower head, adding a touch of luxury to your routine. The unit includes in-suite laundry, giving you day-to-day independence that's rare to find at this price point. A dedicated parking stall adds convenience, as does the storage locker on the balcony. Walking distance to SAIT, the LRT, grocery stores, coffee shops, and local services. Whether you're a student, faculty member, first-time buyer, or investor, this home offers exceptional value in one of Calgary's most connected inner-city locations.
