Discover the best of family living and lifestyle in the desirable neighborhood of Westpointe. Situated on a low-traffic street directly across from a park, this property offers a prime location for families and outdoor enthusiasts alike. The exterior features a private fenced yard complete with trellace designed to suit your outdoor lifestyle. Stepping inside, this home provides everything you need with an open-concept kitchen, living, and dining area featuring the comfort of in-floor heat across the 1,036 square foot main level. With a total of five bedrooms and two bathrooms, the layout is highly functional, offering three bedrooms on the upper floor. Moving downstairs, you will find a versatile living space paired with a kitchenette, providing excellent income flexibility potential or making guest hosting a dream. The additional two bedrooms are located on the lower level along with a second three-piece bathroom and laundry situated in the mechanical room. This home combines a fantastic location with a layout that offers both comfort and opportunity.
