There is ample room to create an additional family room, games area, home gym or entertaining space tailored to your needs. Step outside to a backyard that truly sets this property apart. Fully fenced and landscaped, the south-facing yard backs directly onto the

pond with no rear neighbours, creating an open and peaceful setting to enjoy throughout the seasons. A Trex/composite deck provides the perfect place for morning coffee, summer barbecues or evenings overlooking the water, while exterior concrete pads and a high-producing raspberry bush add to the outdoor space. Additional features include a double attached insulated garage, central vacuum, excellent storage and three fireplaces throughout the home. The furnace and hot water tank were replaced approximately 4–5 years ago, adding further value and peace of mind.
