The moment you pull up, you can tell this home has been well cared for and once you step inside, it only gets better. It's warm, inviting, and designed for both everyday living and entertaining. This 2 storey split offers a layout that flows effortlessly. The front entrance opens into a bright and airy living space, where vaulted ceilings and large windows bring in tons of natural light, highlighting the rich tigerwood flooring. Just off the living room, the dining area creates a great space to host. The kitchen is the heart of the home featuring a large island with quartz countertops, stainless steel appliances, a corner pantry, and plenty of cabinet space, the kitchen looks out over the backyard with easy access to the deck perfect for summer BBQs. Upstairs, you'll find three well sized bedrooms with ample closet space, along with an updated 4 piece bathroom finished with modern tile and quartz. The primary bedroom feels like a true retreat, offering lots of space, a walk-in closet, and a private ensuite with clean, contemporary finishes. The fully finished basement adds even more versatility, with a large rec space that can be used for movie nights, a home gym, or a play area. There's also a generous fourth bedroom and another full bathroom with heated tile floors great for guests or growing families. The furnace was replaced just 3 years ago, giving you added comfort and peace of mind. The backyard is truly something special spacious and surrounded by mature trees, it feels like your own private escape. A home that truly checks all the boxes come see it for yourself.
