Wake up to stunning sunrises near the countryside in this beautifully upgraded, custom-built Stepper home in Copperfield. Filled with natural light throughout, the 2,356 sq ft home offers 4 bedrooms, a huge versatile bonus room, quartz countertops throughout, central air conditioning, and a heated oversized 24x20 garage. Step outside to a well designed and fully landscaped oversized pie-shaped lot with full irrigation, a large two level vinyl deck, and shed for extra storage. Move-in ready and thoughtfully upgraded, the open-concept main level features rich espresso hardwood and tile flooring, soft-close cabinetry throughout, and elegant custom shutters throughout the home. At the center is a chef's kitchen with a large island, dual wall ovens, induction cooktop, built-in microwave, ultra-quiet Bosch dishwasher, built-in wine fridge, and quartz countertops—ideal for everyday cooking and entertaining. A beautiful great room with a modern fireplace is perfect to unwind at the end of the day. A private den with french doors, a perfect space for those who work from home. An elegant recently renovated powder room. The mudroom features a quartz countertop, a built-in providing storage and hooks, along with a large capacity Samsung steam laundry pair. Upstairs, the oversized bonus room provides a fantastic theatre space which is big enough for multi-use. The spacious master retreat at the back features large sleeping quarters, built-in his-and-her closet, his-and-her sinks, a soaker tub, and a separate shower, creating a luxurious private sanctuary. Three additional generously sized bedrooms, including one with its own walk-in closet share a well-appointed bathroom. The thoughtful upstairs layout provides privacy, comfort, and plenty of room for everyone, making this home perfect for families of all sizes. Additional upgrades among others include: a brand-new 50G John

Wood hot water tank, Kinetico water softener, enhanced lighting with extra pot lights, and smart Nest thermostats.
