This one has the wow factor!! A rare south-facing corner unit, Vista West delivers the full package — soaring natural light, sweeping open-concept living, and generously sized rooms that feel like a true home. The formal dining room is perfect for entertaining, while the large bedrooms offer a genuine retreat. Brand new hardwood floors, and with your own private furnace and A/C, comfort is always on your terms. The Vista West building impresses beyond the unit itself — underground titled parking, a well-equipped fitness room, and a welcoming recreational lounge round out a lifestyle-first living experience. A beautifully appointed lobby, 24-hour security, and secure package delivery mean peace of mind comes standard. A storage locker is included, with the possibility of a second parking stall. Step outside and the city is yours — Kirby LRT and Calgary's free-ride zone sit right at your doorstep, river pathways and coffee shops are minutes on foot, and Cowboys Park, vibrant restaurants, and street-level shops are all within easy reach. Downtown living, done right.
