Location, location, location 50 x124' lot! This timeless home is situated on one of the best tree lined streets in Altadore with a west facing beautifully landscaped backyard that is truly an oasis. The main floor plan is the perfect combination of open plan and functional focus. Features include a generous foyer, private powder room, distinct dining room and office with a large mudroom off to the side in its own distinct space. The back of the house opens up into a great room, nook and kitchen/pantry with large windows and patio doors opening up onto the covered composite decking. The upper floor includes a massive master bedroom and spa like ensuite, a large laundry room, as well as 2 considerably sized bedrooms, each with their own sizable walk-in closets sharing a main bathroom. The lower level includes a rec room with bar and flex area, two additional bedrooms as well as a bathroom, mechanical and storage room. This home has been meticulously maintained and shows pride of ownership. The kitchen was upgraded in 2023 with included new double wall ovens, new induction cooktop, new dishwasher and new hood fan. A/C, in-floor heating, vacuflo, and underground sprinkler system are some of the highlights. The oversized double garage with separate attached shed perfect for storage of bikes and outdoor equipment. The wood burning fireplace in the backyard is the perfect gathering place. This is a perfect family home both indoor and outdoor in one of the best communities in Calgary surrounded by a plethora of schools, amenities, bike paths, and only 5 minutes to DT and major thoroughways out of town.
