Rare opportunity to own the largest lot in Trumpeter Village! This property offers ample parking, a huge yard, and mature trees that create privacy while you relax on the large south facing deck. Step inside this spacious 1988 sq. ft. home and be welcomed by a substantial addition featuring a large entryway, plenty of storage space, and convenient access to the side yard. The addition also includes a bright, south-facing family room, perfect for gathering and entertaining. Offering a total of 4 bedrooms and 2 full bathrooms, the home provides plenty of room for a growing family. The main manufactured home features an open concept living area and a spacious primary suite complete with a large ensuite. A second addition provides even more storage space and a convenient secondary entrance. Take a look today to see the potential in this property! Recent updates include a new roof (2022), new furnace (2023), new hot water tank (2025), and the large addition with updated siding completed in (2006).
