A Rare Estate Offering Over 17,000 Sq. Ft. of Unparalleled Luxury in Prestigious Springbank. Among Rocky View County's finest custom residences, this extraordinary estate — featuring nine bedrooms, nine ensuites, and four powder rooms — rests privately behind impressive gates amid beautifully landscaped grounds and mature trees. An unforgettable arrival unfolds with a striking stone exterior, porte-cochère, and illuminated fountain, leading to a breathtaking two-storey foyer with dual sweeping curved staircases, soaring 20-ft ceilings, walnut hardwood floors, designer lighting, and spectacular floor-to-ceiling windows. The main level presents an elegant great room anchored by a dramatic white quartz fireplace, formal living and dining rooms, an executive office, custom library, recreation room, guest suite with ensuite, and multiple mudrooms. The chef-inspired kitchen is truly exceptional: custom ceiling-height cabinetry, granite countertops, oversized islands, Sub-Zero refrigeration, a Wolf professional eight-burner dual-oven range, Miele built-in cappuccino station, warming drawer, farmhouse sink, and a fully equipped servery with additional appliances and pantry. The adjacent breakfast area opens to remarkable outdoor living — built-in BBQ with sink and dishwasher, outdoor fireplace, and expansive covered entertaining spaces — while a spectacular sunroom houses a 20-person hot tub, shower room, and full bath. Upper level: the primary retreat rivals a five-star hotel, offering a private sitting room, breakfast bar, dual-sided fireplace, spa-inspired ensuite with oversized steam shower, and a boutique-inspired dressing room with custom cabinetry and centre island. Two additional bedroom suites each feature walk-in closets and private ensuites. A self-contained upper guest wing with its own garage entrance offers a kitchenette,

living room, two bedrooms, two full baths, powder room, and laundry — ideal for extended family or live-in staff. The fully developed walkout lower level impresses with heated floors, an expansive recreation and games area, theatre room, fitness centre, wet bar, temperature-controlled wine cellar with tasting room, spa area, second laundry, elevator access, and three further bedroom suites with private ensuites. Additional highlights include an over 1,400 sq. ft. heated attached garage, elevator, steel-beam construction, triple-pane windows, Euroshield roof, firewalls separating each wing, central air conditioning, Hide-a-Hose central vacuum, premium stone finishes, and impeccable craftsmanship throughout.
