LOCATION, LOCATION, LOCATION: It is hard to get a better location. 8 1/2 miles from Fairview 1/2 mile off the pavement located in Clearhills County. Most of the 10 acres is Forest with the balance being yardsite and pasture. It offers a older house, older garage and 2 sheds. You could build a newer house and shop or a shouse and have plenty of room for the animals or orchards oranything else you may desire. Power and Natural Gas are in place. Please note!! The septic system is not standard and doesn't operate. The house has mold in the back portion. Plenty of peace and potential! Call your Realtor to schedule a viewing.
