Situated in a desirable location, this family home is just a short walk from the golf course as well as scenic walking and biking trails, offering the perfect blend of convenience and outdoor living. Boasting four large bedrooms and three 3-piece bathrooms, including a private ensuite off the primary bedroom, this home is designed for comfortable family life. The oversized kitchen features abundant cabinetry, a pantry, a floating island, and a breakfast bar, all overlooking the backyard. The dining room comfortably accommodates a large family table and opens onto a spacious back deck, ideal for summer gatherings. The living room offers plenty of room for entertaining, while the family room invites you to gather around the wood-burning stove, with additional space for a home office and a study nook. The basement level expands your living space with a large playroom, the fourth bedroom, and a utility storage room. The home is outfitted with an air exchange unit and a heated attached garage. Outside, the fully fenced backyard includes a shed, a garden spot, and the added privacy of no neighbors behind. This home is truly move-in ready — call your Realtor for a private viewing today!
