If you are a first time home buyer or looking to purchase a rental property this could be a great option! Refreshed interior with all new appliances and complete with a metal roof this home is worth taking a look at. The back yard is large and complete with a small greenhouse and room to add a garden. The garage/workshop has a small wood stove to heat the space when using it. It is not currently set up with an overhead door but there are large doors in place for easy parking of ATV's. It also provides great additional space for storage. Floor plans available in the photos section, 360 tour is now available in the media section!
