Soak in the greens, canola yellows, and the kaleidoscope of other natural colours as you make the short 15-minute drive to this acreage. You will notice nature becomes even more serene as you near the property. This 5.22-acre parcel with a 2013 manufactured home is only 0.5 km off the pavement. The well (50 gpm) and septic system are brand new. Newer systems provide extra assurance that the best years are not behind it, with expensive repairs looming. With 1,520 square feet, this 3-bedroom home offers plenty of space both outdoors and indoors. It features a large primary bedroom with a walk-in closet and ensuite complete with a jetted tub. The open-concept layout includes a spacious kitchen with plenty of counter space and a pantry, a dining area, and a living room that invites you to snuggle into quiet evenings by the gas fireplace. With so much indoor space for hosting family and friends, and with the generous backdrop of yellows and greens, your gatherings can extend effortlessly into the great outdoors. A large deck is only the beginning of nature's invitation to enjoy your surroundings. Your commitment to peaceful country living can become a reality here—and all of this is on CR5-zoned land, providing the flexibility to own a horse while also allowing a variety of home-based business opportunities.
