Rare opportunity for a small bay in East Shepard Industrial Park! The space currently offers a large office component with a very functional floor plan. The main floor office area could be reconfigured to increase the amount of warehouse space. The main floor consists of a large reception area, 3 large offices, two washrooms, server room and staff kitchen, with the remainder being warehouse and storage. On the second floor, there is another 4 offices, a large boardroom and washroom. This space is ideal for groups looking for a large office component with some storage area. Conveniently located with easy access to 52nd Street, Stoney Trail, Deerfoot Trail and many amenities nearby in Quarry Park.
