Exceptional Opportunity Awaits! We are pleased to present a remarkable chance to own a completely rebuilt, family-sized bi-level residence, designed with modern living in mind. This stunning home has been meticulously renovated to include new shingles, windows, doors, and light fixtures, ensuring a fresh and contemporary aesthetic throughout. Situated on a desirable corner lot, this property boasts a brand-new fence that offers a great space for children and pets alike. Step inside to find a gorgeous kitchen layout featuring all new appliances and a semi-open concept that seamlessly connects to a spacious dining area with easy access to the newly constructed deck. The large family room provides a perfect space for family gatherings, entertaining or just relaxation. Additional highlights of this exceptional home include fully updated bathrooms, new flooring and ceilings, as well as a modern heating and cooling system featuring a furnace and air conditioning unit, along with hot water on demand. The refinished attached garage with a new overhead door adds convenience to this outstanding property. Don't miss this unparalleled opportunity to own a beautifully restored home in a sought-after neighborhood. Schedule your private viewing today and experience the perfect blend of style, comfort, and functionality!
