Welcome to Riverwest, one of downtown Calgary's best condos. This family and pet-friendly building has a great sense of community and amenities. The two towers are connected by a recreation hub featuring an indoor pool, a hot tub, a billiards table, a party room, a fully equipped fitness center, and a concierge. You are steps away from the free downtown LRT zone, a fenced dog park, the Bow River & all its trails. The home has a great open-concept living/dining room and kitchen with granite countertops and stainless steel appliances. The full-height windows and 9-foot ceilings keep the space bright while the hardwood floors and gas fireplace add to the warmth of the home. This condo has 2 spacious bedrooms plus a sunny den or office. The bathrooms also feature granite countertops and heated tile floors. The two round balconies have views of the East, South, and West toward the mountains.
