Stunning and almost as rare as a unicorn. Four Bedrooms up and one down (5 bedrooms total), plus a den. Beautiful family home in the heart of Auburn Bay Heights. Six minute walk to the Lake or South Health Campus hospital. It does not get much more perfect than this for location. This family home has been loved by the current owners. Pride of ownership shows throughout. As you enter through the front door, the 17 foot vaulted ceiling exudes opulence. The main floor is open and perfect for entertaining, the flooring on this level is only a couple of years old and shows like new. The kitchen is well thought out, the counter space will give you ample room when preparing meals for your loved ones, look at that pantry. The large dining area is ready for those family dinners where you will enjoy making new memories after a day at the lake. The office (den) Laundry room and 2pcs bath complete this level. Now let's go upstairs. The master Bedroom is massive. Plenty of room for your king size bed. Walk into the 5pcs ensuite and take it all in. Plenty of room for two people getting ready for a night out. Now let's go into its own large walk in closet. There are three more bedrooms on this level, plus another 5pcs bathroom as well as bonus flex space for computers or crafting. Down the stairs and into the basement, You will find the 5th bedroom, family room, games area and wet bar. The Shingles, and Eaves trough were replaced two years ago. The garage has plenty of room. Did you notice the extra wide driveway? The backyard is awaiting your landscaping ideas. Pet Friendly Don't forget to ask your REALTOR to check private remarks for additional information.
