From the moment you walk through the front door of this bright modern home, with 9-foot ceilings, you will be impressed! The triple-car heated garage with epoxy floors and a large fully fenced backyard make this the home for you! The white kitchen with black accents, the oversized butler pantry, stainless steel appliances (gas stove), and quartz countertops, makes this kitchen a cook's dream! Open concept living space with doors leading to the backyard oasis! The family room has built-in shelves, a gas fireplace, and is the perfect place to gather with family or friends! Head upstairs to find the primary bedroom with an ensuite, walk-in closet, two more bedrooms (all with custom blinds and blackout feature), laundry room, and a bonus room! In the basement, you'll find a full kitchen, large bedroom, open concept living room/kitchen, stackable washer/dryer, 2 furnaces, and the 3rd full bathroom! The backyard deck and pergola make it the perfect place to enjoy warm summers on this 9494 sqft lot on greenspace with a walking trail. Bonus to this huge lot is pilings in place to build a storage shed or another deck at the rear of the lot! The front yard features all hard landscaping, carried through to the backyard around the deck. New dishwasher in mainfloor kitchen in October 2024, new washer/dryer in upstairs laundry room in January 2025, and all new basement appliances in January 2024. Great location on a quiet street in a very convenient location in Stonecreek!
